DAILY COURIER.

THERSDAY MORNING. . . NEPT. 34, 1865.

Speech of Hon. Snaford E. Charch.

The New York delegation voted a great many times in the Democratic National Convention for Hon. Sanford E. Charch, of that THRSDAY MORNING, ... SEPT. 84, 1868. Afrival and Departure of Trains.

Naniville Railrand.

Arrive State The prominence shield was given thin by this high compilitanent, and the local distinction which Mr Church has won in Nes York politics, entitle him to rank as a reper sentative man. For this reason, and because the reserve of the camping, as the reason and because the reserve of the same sentative man. For this reason, and because the reserve of the same of the striking presentative man. For this reason, and because the reserve of the same of the sa

where, assistant State elector, will address
uple at the following times and places

the land. All right thinking dutases approve of and desire the increase of calaries. The above appeared in a city contemporary a few days ago, and we say amon to its rug-gostions. The city of Louis tills once it to herself to carry into effect, and without delay, the act of has winter, authorising the Council to increase the salary of the judicial officers of the contemporary of the

sension was, to say the least of it, most re-remarkable upon this subject of sakaries. It was profusely liberal to every functionary

whose salary had to be expended round and about the little town of Frankfort. The Governor, who is provided with a rich-ly furnished house at the expense of the State,

the act referred to of last winter was obtained.

Surely further delay to carry into effect this legislative provision will not be had. It occasions any p

THE PRESIDENTIAL CAMPAIGN.

Public Speaking.

E. Lawlees, anotatani State elector, will address the people at the following times and places. On will be seen from the proceedings in all Cinegous, on the 7th of Section but.

At Conventite, on the Second Congressional Blustrice of Realism's,

A conventing to nonainate a sub-second congression of the Second Section, to meet at Woodland Garden on Section, to meet at Woodland Garden on Section, to meet at Woodland Garden on Section but the Second Section, to meet at Woodland Garden on Section but the Second Section of Hon. Boyd Winchester The Democrats of Jefferson county will hold the Second was addressed by the resignation of Hon. Boyd Winchester The Democrats of Section Congress, will address the people at the following times and places.

At Mandordville, Monday, Reptamber 7th.

BOYD WINCHESTER,

Radical Logic on the Pence Question.

To get at the rea and far-foring Longstreet, to vote the findical icket. Until then suffrage must be withhold from the Southern whiter as a war measure, post as we built batteries and raised armice."

Diaguise it in the most specious manner, and still the issue presented by the Radicals places them in the attitude of making war citizens the country. In their most ingenious and defence to appear as the advocates of noticeable and grafifying feature of the was the fact that it we notice up by the prosed upon the field where the last buttle was fought, and still the great organ of the Radic of her macking war apon eltiness hild as paroled prisoners. These paroled prisoners have been all mandates but one. They have not consented to vote the Radical ticket, and the organ of that party declares that, until they do consent to assist in maintaining the exercise of "war powers."

To justify the prosecution of this war upon se Southern whites until they agree to join

to the prosperity of the North. The Tribune claimed that the advent of an anti-slavery party to power would remove this incubus, South blossom like the rune ere then so profitable to the commerce of the

party came into power. It mustered millions of men in arms and started on its mission of reformation and regeneration to the South. Blood flowed like water; four thousand mil be world were at its command during four cars of war. It conquered. Slavery was

Mes commerce sets less congeniul but mor-cours alimes -credit to dead ber und resource re seglected -berr is no linkuter, normaterprise, to automal progress, no public spirit-mobiling at political clano and social anxiety. Such are the fruits of Radical policy. The

mon whose energy and patriotiem and intelli-gence would bless the South are indeed ban-ished from all participation in her govern-ment, and those whose industry would make He has had his own way for eight the fruits of his policy, while he coolly deties of experimenting at the expense of the liberty, peace, and heart's blood of the nation'
